## Frequently Asked Questions

**Q1: What age should my child first visit the dentist?**

A: According to the American Dental Association, your child should see a dentist by age 1 or within 6 months of the first tooth erupting. We offer gentle, kid-focused care that eases children into a lifetime of healthy dental habits.

**Q2: Do you offer family plans or discounts for multiple family members?**

A: Yes. At Smile Scarsdale Family Dental, we offer special rates for families and provide custom treatment plans for each member to keep care affordable.

**Q3: How do I know if you're the right Family Dentist in Scarsdale for us?**

A: Schedule a consultation. Meet our team, tour our office, and ask questions. We'll walk you through how we can best serve your family's dental needs.

**Q4: Can adults benefit from Invisalign at your practice?**

A: Absolutely. Invisalign is an excellent solution for adults seeking discreet orthodontic treatment. We're a certified Invisalign provider in Scarsdale NY.

Q5: What should I do in a dental emergency?

A: Call us immediately at Smile Scarsdale Family Dental. We reserve time each day for emergency visits and will do our best to see you as soon as possible.
